SUBJECT: FY2001 INDOT/Local Federal-aid Sharing Arrangement

Please find attached a final copy of the federal aid funding agreement that was previously distributed for your review/comments.

The agreement includes an increase in federal funds for each group equal to the overall percent increase in federal funds received by the state of Indiana. My staff and I will be presenting a discussion on the Local Federal Aid Sharing Agreement at the annual 2001 Road School at Purdue University. The discussion will take place on March 20.
